Wed 24 Jun				EXAM CONTINGENCY

Exam contingency

In the unlikely event that there is a national disruption to examinations in summer, it is possible that there could be more than one timetabled date affected following the disruption, up to and including the contingency date on **24 June 2020**.

Centres will be alerted if examinations are rescheduled, and the affected candidates are expected to make themselves available. Where candidates choose not to be available for the rescheduled examination(s) they will not be eligible for enhanced grading arrangements.
